Dear Jack,

Hi, Just received your letter thanking me for the 1.00 and my best wishes. Well you can be sure you still have my best wishes and always will have them to. Well now I hope you can get the trial moved to another town and that you get off with just a reprimand at the very most. I don't think that you will be able to get a fair trial in Dallas and I think the judge hearing the trial is sort of one sided to but maybe I am wrong but from my reading the account of the Jury picking it just seems that way. All this business of Mrs. Oswald saying that the Bum was a C.I.A. Agent well what I want to say about could not be put in a letter as such talk is foolish and he was nothing but a COMMIE and they should have put him in jail long ago better yet they should never have let him back into the Good Old U.S.A. I sure hope that Mrs. Tippit and her family comes out all right to as that was a shame to. You know I was once an employee of the Justice Dept. in Calif. and just before I did resign I wrote to the Dallas Police Dept. to try and get a job there but you have to be a resident for so long and that let me know so I came back east with my family. You see I have nine years Police behind me and I like the work to. Well now if I was working now and had more money I would sure send more to you but I am not working now also if I had a vacation coming if I was working I would like to come down to sit in at the trial also to come and say hello to you but guess I will have to settle with the writing for now and if you care to correspond with me well just let me know as I would be glad to write to you as I do consider you a friend and I would like to meet you some day to. Guess I will close this letter now hoping to hear from you soon. If the D.A. or the Warden will not let you write me well ask them to please let me and I will even write them myself and ask if they want me to. Guess I will close this letter now and I hope it finds you in the Best of Health and Spirits that can be expected.

YOUR FRIEND

February 23, 1964.

Mr. Jack Ruby,
Dallas County Jail,
Dallas, Texas.

Dear Sir:

I am one of the estimated one hundred and eighty odd millions of shocked and incensed Americans who wept and sobbed on hearing the details of the dastardly murders committed by Lee Howard Oswald on November 22, 1963. I was enraged and infuriated not only by the cowardly assassination of our President, but equally so by the brutal murder of patrolman J.T. Tippit, the father of three young children, and by the serious injuries inflicted on Gov. John B. Connally with the same murder-gun.

On November 23, 1963, I heard at my home in Scarsdale, New York, a T.V. coast to coast broadcast of the news conference by District Attorney Henry Wade, at his office, to brief the local reporters and the respective News Agencies concerning the arrest of Oswald. I presume you heard the same program.

Mr. Wade, who has an enviable reputation as an honorable and ethical lawyer and a brilliant prosecutor, told the world that he had "conclusive evidence" that Oswald was the killer of both patrolman Tippit and President Kennedy, from the testimony of fifteen reputable witnesses and from unimpeachable documentary evidence. His audience was satisfied by mere conclusions and asked for more detailed explanation, and Mr. Wade obliged. He told them that the murder weapon and the exploded shells were in his possession with proof that the gun was bought by Oswald, by mail, under an assumed name in his own handwriting, found among his personal effects; - where the gun had been kept and that he had ordered and paid for the telescope attachments to the gun. He also disclosed that when Oswald was surrounded by six policemen within the movie theater where he was captured, he drew his revolver and placing it close to the head of Officer Thompson, pulled the trigger. Fortunately, the bullet did not explode. He also disclosed many other shocking facts in detail.

I have been a practicing New York lawyer for over fifty-nine years and a peaceful law-abiding citizen. After hearing Mr. Wade's detailed statement of the nauseating and revolting facts and circumstances of this terrible tragedy, had I the opportunity, I would have acted as you did. The human mind and body can stand only a certain amount of

strain and stress. Logic, calm reason and self restraint cannot prevail in the mind of any human being who knew some of the victims personally and was loyal to the others. The horrible provocation aroused the natural tendency "to fight fire with fire." Mad dogs, venomous vipers and savage killers should not be accorded sympathetic coddling.

On November 24, 1963, when the news of your deed was publicized most Americans applauded. There were some "conformists" however, who prated about "the presumption of innocence until proved guilty", and "denial of due process of the law" to Oswald. Some newspapers published featured articles to the effect that a "french journalist asserted that Oswald could not have been convicted. The same papers publicized the fact that Oswald's mother protested her son's innocence because he was "always a good boy." All this, in the face of the most complete and conclusive evidence in the possession of District Attorney Henry Wade, which he personally certified.

The official records prove that the "good boy" Harry Oswald beat his pregnant Russian wife frequently and failed to provide for her support and of their child. He came into the U.S. Embassy in Moscow and filed a written renunciation of his allegiance to the U.S. to become a Russian citizen. Two and a half years later he wrote to Mr. John B. Connally, now Governor of the State of Texas, (then the Secretary of the U.S. Navy) to intercede for him to enable him to return to the U.S. He was granted a loan of \$435.71 for travel expenses. On his return to the U.S. he promptly allied himself with the Pro-Castro Fair Play for Cuba Committee in New Orleans. Presumably, part of the money he obtained from the loan, with the help of Mr. Connally, was used to purchase the rifle that killed the President and seriously wounded the Governor. All this, committed by our well-meaning citizens, in quoting themselves, is that the Oswald case is not a matter of principle. It is one isolated, peculiar unique case which must be judged on it's own merits - and your act, by the same token, must be condoned because were powerless to resist the psychological storm caused by the many heinous crimes and savage killings perpetrated by Oswald, as described by Mr. Wade, - which no reasonable person could question.

This letter is written to you to assure you that you have countless admirers and well-wishers, of which I am only one. As a New York lawyer I am disqualified to advise you pertaining to the laws of the State of Texas. I can, and do advise you to head scrupulously the advice of your counsel in all matters pertaining to the conduct of your case.

Had these tragedies been enacted within the State of New York, and involved the same persons, and if I were the attorney for the defendant, I would request the District Attorney to confer with the Trial Justice and with the Governor of the State, to permit the defendant to plead "guilty" to manslaughter (other than murder) and that upon such plea the sentence imposed by the presiding Justice be commuted (if necessary) by exercise of Executive clemency by the Governor, to the time already spent by the defendant in custody preceding the trial. Upon release of the defendant from custody, the Governor to grant the defendant a pardon to reinstate the defendant's civil rights. To my mind the suggestion is just plain, simple common sense. The preparation for and the trial of this case would involve an enormous waste of time and money on the part of both prosecution and of the defense, with no likelihood that twelve conscientious jurors could agree upon a unanimous verdict. Let's assume, despite the improbability that a jury did agree on a verdict of guilty, would the Governor refuse executive clemency to the defendant who acted in a state of uncontrollable rage against the man who sought to kill and who actually did seriously wound the Governor? Any answer but an emphatic "NO!" would be a reflection on Governor Connally. Why waste the valuable time of hundreds of our citizens called as prospective jurors, of investigators, process servers, stenographers, medical experts, the court personnel, and of counsel on both sides whose talents can be employed to more worthy causes.

As to you, your attorney and your counsel, I waive the right of privacy as to the contents of this letter. You may publicize any portion thereof.

Under separate cover, I am sending you a paper-back copy of my book *Religion Is Here To Stay: Whether You Like It Or Not*, with the hope that you might find it interesting reading. This book will not be on shelves for three months. I might add, that a complimentary copy of the book was mailed to Governor Connally and to Attorney General Waggoner Carr on October 3, 1963. A copy of this letter has been forwarded to the Governor by the same mail. God bless you!

Very sincerely Yours,

Dear Mr. Ruby:

I'm just a housewife from Ohio, but I recognize a big lovable slob from clear across the country. So, Mr. Ruby, I want you to know that I BELIEVE YOU. Somehow I think, in your present position, it might be a comfort to know that another fellow American does believe in your sincere love of Dallas, its people and institutions, and your country.

I'm sure the consequences of your act never occurred to you. Like any emotional lovable slob does, you acted without first thinking WHAT'S IN IT FOR ME, and, of course, that's where you made your big mistake. Lovable slob always judge other people by their own standards and figure they must be lovable slob too. But they're not, of course, and it's a hard lesson to learn, that the other fellow will never doubt that you did have some motive in mind other than sheer quaking patriotism that wiped consideration of consequences from your mind.

Lovable emotional slob spend half their life weeping about their fellow men until they acquire a protective coat of cynicism. That is, always measure your actions first by WHAT'S IN IT FOR ME, and you usually never make a wrong move.

I'm sure that, if Oswald was the President's assassin, he had carefully thought out what was in it for him - he was satisfying the studied plan of a fanatic's mind and probably figured he COULD GET AWAY WITH IT - escape the consequences, that is.

And consider the policemen in Dallas - WHAT WAS IN IT FOR THEM by moving a live target in daytime in front of the television cameras and newsmen? Better newspaper coverage, that's what. Dallas was already smeared, and who wants to offend the controllers of public opinion? The police chief painfully admitted that he acquiesced to the wishes of the press in deciding on the daytime move.

And the newsmen - his job depends on always considering WHAT'S IN IT FOR ME. He has to get that news by hook or crook, and we realize his job is difficult. Surely we can see by your present misery by hindsight that points a finger of blame at the newsmen, but what a not-so-unusual satire of life that their original motives have resulted in a windfall of it. Manna from heaven, buddy - and you! And apparently the only one in the miserable mess who didn't think of WHAT'S IN IT FOR ME.

This whole experience will no doubt teach you not to be such an emotional lovable slob in the future. But let me tell you, I'd hate to live in a world that didn't have a few of them around.

Sincerely,

B. J.

Dear Mr Jack Ruby

When you receive this letter from Mrs Dorothy Goodgrass of Bonham Texas. were the friends of her in Dallas that she mentioned in her letter to you. I follow your trial in the newspapers, over the Radio and television very closely. I read where Dorothy Kilgallen of the New York Journal American interviewed you. I think Dallas Texas, should have had more respect for the late John F. Kennedy after all he picked a man from Texas to run with him for Vice President. I hear that quite a bit of the population of Texas is very prejudiced, after all the South has been that way since the Civil War Days.

We are all praying for you, don't worry you'll come out with flying colors. Even Vice President Nixon stated that Lee Harvey Oswald got just what he deserved, that leaves me bad egg less left in this country. After I finish this letter guess what I'm doing to have for dinner a nice hot

Dear Jack,

note

Hello and my best to you....just a quick/this time to let you know I am thinking of you and would like to let you know I am here. Needless to say I have followed your story from the very beginning and feel very deeply for you. It sounds so shallow to say "keep your chin up" and all the trivial things people say during times like these. But Jack, I am your friend and having experienced difficulties in my life I know what it is like to be alone. So, my wife and I are here to help if we can and to let you know we believe in you.

Since your trial makes the headlines everyday and the newscasts are full of it, there is no reason for me to write about it. If you care to write me and discuss it fine, if not, that's O.K. too. My life down here in Southwest Texas is so different to the way of life I had there in Dallas....God has been most bountiful to me....my business this year has been the best I have ever experienced. My home life is good and the happiest event in my future is the fact that I am going to be able to get my daughter...you may know she was placed in a home for children by her mother....my wife and I have been working since our marriage to establish a home for her and secure her custody and it looks as tho' we are going to accomplish this...when I was last in Dallas I visited her custodians at the school and they have already passed on my wife and I and it looks as tho' when school is out in May she can come to live with us. This means, Jack, that I will have her for the four years of her high school and then as is the way of life she probably will go on out into the world....I hope that in this small amount of time I have left that I can make up for some of the times I have neglected her. As we get older and begin to look back over the road we can see where we made a lot of mistakes, I hope I can salvage one thing and leave her with good balanced ideas about life.

You people are having snow up there in Dallas and the sun is shining beautifully outside my office window. In my next letter I will go into detail about my crops and tell you a little about farming...some people cannot picture me as a farmer...but I do like to farm, and it is a good clean life. Of course, most of my income is from the shipping end of the business and this is full of headaches...I worked until 2:00 o'clock this morning, loaded out two trucks for Dallas, as yesterday was rainy and muddy, we had nothing but trouble getting the produce out of the muddy fields....the trucks bogged down as did the tractor...ruined one transmission in one truck, burned out my clutch in my pickup....thank goodness, this does not happen very often...but when it does, it is just plain hell.

Now I will close for this time...have wanted to write before, but have felt that possibly it might not be permitted...and not knowing about your routine there, didn't know if you would want to hear from anyone....but if you can write to me, let me hear from you...and remember that you are not alone...

Dear Mr. Ruby,

The very best of luck with your trial. Much of America is with you in heart. You did what many others who felt deep grief would have done on impulse.

My family's first reaction was the same as yours and I would have done exactly what you did. I still feel the deep sorrow of our president's death.

You are not alone on trial at this time, many of us who felt deeply are right there with you and we, each of us, are on trial right with

or Heaven. If you believe in Jesus you may be saved and attain eternity through Him by your death. You may have been baptized by desire, if you ever wished to have been like a Christian.

You, the Jews are the chosen people who brought Jesus to us. He was Jewish and fought those He loved, his own people, because He was to do the Will of God by dying on the Cross and Rise and ascend to form His Church. I am a Catholic and I believe in my Church. As God manifests Himself to the Jews through the Holy Spirit, so has God and Jesus who are one have manifested Himself to me through the Sacrament of the Holy Eucharist.

Just go in God and ask for a Catholic priest and take instructions from him. You do not have to convert, but it may turn out better for your mental health and salvation than going to talk to the psychiatrists.

This prayer was taught to us by Jesus Christ: Our Father who art in heaven, hallowed be Thy name; Thy

kingdom come; Thy will be done on earth
as it is in heaven. Give us this day our
daily bread; and forgive us our trespasses
as we forgive those who trespass against
us; and lead us not into temptation, but
deliver us from evil. Amen

I wish to help but all I can do
is write this letter for I am a mother
and I have a home to attend.

God Bless you and love you. May
your soul and life be saved. And in
death may your soul be ~~Gods~~ saved.

It would be the people putting
you on the chair not God. It is our
government not His. He may kill, we
may not, but we can; He wants
us to ~~be~~ good through our own will
and voluntary not forced by His Will.

Wish you the best on your trial.
I want you to live, I want everybody to
live who loves & fears God. And those who
do not, may He forgive, He is all good and
He will, but he cannot unless they
repent. Those who do not will perish and
live forever in Hell. Even in Hell we are
Eternal.

birth day of Pres. George Washington, who said: "Beware of
foreign entanglements. What a hell of a mess our officials have made
of that Command."

Well Jack I don't think I will be around much longer
I always got a kick out of the girl shows and only look
at TV shows with the girls doing their acts. So would
enjoy seeing your shows. If more preachers saw more
girl shows they would have more love for them. It has
been said. Not only let live, but keep somebody to
live. Excuse writing. Am on my back. period.

Keep your chin up. Could write more but don't know
who all will read this. Love but make to everyone on
your side. Will keep jabbing them until the old man up
stairs stops me. Mike

My Brother -

When Jesus came to Bethphage
unto Mount of Olives. He sent
two disciples, Go into the
village and you'll find an ass
and colt tied; loose them and
bring them to me. And if any
man says who wants them
and what for? you must
say the Lord hath need
of them and he will send
them.

Then, as the people hung
Jesus on the Cross, there
were two other men already
on the Cross. One man said
"Remember me when you
come into thy kingdom."
Jesus said "Today you
shall be with me in
paradise. (Was it not one
man a thief, the other destroyed
a life.

God sets free of those He is in need. God has your blue print of life from the day you were born. After the Court's lengthy ordeal you will receive freedom and forgiveness from God. I have shown you this simple fact.

Someday God will send a Padre, with love, compassion, kindness and a very sweet person your way. Maybe you're to help ~~with~~ a mission someday. Remember that things here on earth will pass away. They do every day. But that little precious treasure up there in God's kingdom will await you when you arrive, and all these heat, trials, tribulation will be nothing, in comparison with the precious treasure God gives you.

- 3 -

I pray, I have given
you, comfort and peace,
thru our Lord (Our Father)
and a feeling of contentment,
a new hope in life with
a new vision that God
will receive all the glory.
Maybe I am answering
your prayer. Sometimes
God shows us words
to perform.

I am Alpha and Omega.

I am not signing my name
in this way only God will
receive the Glory.

In Christ I remain
I pray for you.

Remember God is omnipresent
and He can read this letter
the same as you and the
writer He knows.

May God Bless you.

Before the Court examined the prospective jurors, Ruby talked at length with reporters about the Bible. He said he had been introduced to it by a Protestant guard at Dallas County Jail and now read it daily. "It gives me great solace," he said.

From the time I was a child I have been a Christian. I was baptized at Dallas County Jail and I have been a Christian ever since. I have been a Christian for a long time and I have been a Christian for a long time. I have been a Christian for a long time and I have been a Christian for a long time.

Are you a republican and Democrats?
The Public, wants to know, what the

If Jack Ruby is convicted it will
be a republican jury. I do what
will make Dallas the poorest City
in the state of Texas.

Not only was Jack Ruby in shock,
and insane. But all of us who
loved President Kennedy were insane
from shock.

There is no question about it.
all of us. Ruby was insane.
Wasn't?

Our President Kennedy. Stopped
Our World turning. Our men went

Milk and Meat for our babies.
Milk and Meat helped our children
to visit less and less Charity

It was, so the laboring class of

say as most of our world
would say - Let Ruby free.
And stop trying, and doing it.
Making publicity.

News on television, also our
news papers, have nothing
interesting any more, its all
publicity, propaganda.

Its pretty bad, when a
uneducated person such as I
can see through such a deal
and become so disgusted I

are out of my system.

I didn't see the Oswald Killing
on T.V. And those who did see
it can only swear they seen it
on T.V. I can swear I seen
soal bubbles come out of peoples
mouths ears and eyes on T.V. to.
I can swear, I seen Super Man
fly through the sky. But that
also was on T.V.

If Jack Ruby did take such a chance
and did kill Oswald, he was in
the state of mind they would
be offering. But he had gutters
how ever if Oswald lived, he could
have broke down under the strain.
And that would have been terrible.
For his testimony could have involved
some of our wanted to be, Republican
presidents. Some one would find money lack
what. No one has published what it was.
You is afraid, because, and afraid in
the personality of our Republican I have
seen. That's all, (if I don't win)
I will get revenge if its the last thing

IV

I don't
think the public wants to know. Are
the judges Republicans? Are Democrats?
It is not Dimes, but the Republicans
already. Therefore Oswald was killed
here. I think I will take in a revenge.
And gave Dimes the party's marks
in history.

What are these? Educated narrow
minded fools?

I am not ashamed of what I
have written.

But I will not sign my name
and have a little one to have
in the world alone.

Can they? want a free speech
from a free American.

Good luck, and best wishes for
Mr. Ruby.

Thank you for people who keep

good old Dimes will be considered a pretty
good City after all. (Over)
